

THE LEO

SOLID, SAFE, SECURE

Safety is a key feature of the Leo, but this does not detract from its stylish and sporty looks. Leo offers users the freedom and confidence to enjoy their essential daily outings and leisure excursions.

Yes, you can.®

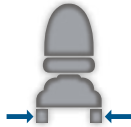

THE LEO

SOLID, SAFE, SECURE

Features and benefits

- The intelligent lighting package includes indicators that automatically switch off and a rear brake light for safe driving.
- Visual and audible warning for the battery level display.
- Can be easily dismantled for transportation during longer trips or weekend breaks.
- With a smooth drive and easy manoeuvrability, getting around tight corners in the local shopping centre, museum or leisure complex becomes refreshingly easy.
- Access to the battery and electronics for maintenance or servicing is much easier with the Leo as only one part needs to be removed.

Tech Specs

Driving unit width
590 mm

Total length
1220 mm

Max driving distance
38 km

Max driving speed
8 km/h

Maximum driving distance is dependent on driving habits, terrain and battery age.
